"I Am Hip Hop Education"

*"Looking Forward: Hip Hop Education in a New U.S. Administration
and How to Adapt to the Changing Global Financial Climate."*

3rd Annual Conference
Saturday September 26th, 2009
at the
Historic Carnegie Library
801 K Street NW , Washington DC 20001

Come together with educators, scholars, authors, filmmakers, artists, journalists, students, publishers, photographers, industry leaders, aficionados, and lovers of hip hop culture for a full day of workshops, panels, and screenings to enrich your knowledge and awareness of hip hop culture and to connect with like minded professionals to help further the goal of bringing hip hop back to its creative, educational, and functional state.
